Fire Safety, LSA, FFA and Crane Servicing with Flag State Inspection Attendance

Under a 2022 work order from Jagson International Ltd, SOLAS MODU Marine Services provided fire safety services on an offshore drilling unit operating in Indian offshore waters. The scope combined annual servicing of life saving appliances (LSA) and fire fighting appliances (FFA) with crane servicing on board the unit.

In addition to the servicing scope, the firm attended the unit's flag state inspection under the same work order. Jagson International issued a Certificate of Satisfactory Services for the engagement, which is held on file, and the work was completed in 2022.

SERVICES PERFORMED

- Fire safety services offshore
 - Annual FFA servicing
 - Flag state inspection attendance
- Annual LSA servicing
 - Crane servicing
